

Commissioning of Roger & Charlotte:

Now Father we lay our hands on these two. Father we thank You for Roger and Charlotte Merschbrock. Father we thank you for their sensitivity. We thank you for their life. Lord, we thank you for the anointing that is on them. Father we thank you that they represent a movement not a structure. (That's very important to understand that.) Lord we say that the movement now in this state and across the South will begin to accelerate. Lord we say the movement of Your Spirit will begin to flow in a new way. We commission them as a sign with new authority to uncover. The Lord says you will going to the places where the baseball diamonds and the football fields are and you'll be seeing football fields filled throughout this state

of worshiping warriors saith the Lord. Now Father we bless them as they go into this next phase and Father we say all in the movement of communion throughout this state will now bring this state to its next level of the presence of God. Lord we love You; we bless You; we thank You for the state of Louisiana. We thank you for those You have chosen to lead in new ways and Father we release them to move forward and advance in Jesus' name.
